"INVITATION."

Come, I will show you the flowers in my garden
Gay in the sunshine sparkling with dew;
And I will gather the fairest among them
And give it to you!

Come, you shall list to the birds in my garden,
Happier songsters never I knew ;—
And you will know that the songs they are singing,
Are only for you!

Come, I will tell you a tale in my garden,
A tale that is old, but I'll tell it anew
And I will give you a heart in my garden,
That loves only you!
